

orthopaedic
outreach
AUSTRALASIA

Your membership will make a world of difference

Orthopaedic Outreach supports volunteer surgeons, anaesthetists, nurses and physiotherapists who provide surgical and teaching services throughout South East Asia and the Pacific Islands.

The funds we receive through donations and memberships are used to cover equipment, surgical supplies and the most basic expenses of the medical personnel who voluntarily offer their time and skills.

Please support the work of your colleagues to make a world of difference. Find out more about Outreach at www.orthoreach.org.au
